Hair Products

VOLUMIZING SHAMPOO
1000/300/50ml

A protein kick for fine hair. Cleans gently, adds strength. More volume and resilience for fine, thin hair.

VOLUME ENHANCING TREATMENT
1000/200/50ml

Intensive protein-adding treatment for fine hair. Gives back volume, strength and elasticity to limp hair. Body and bounce as well as shine, at last!

MOISTURIZING SHAMPOO
1000/300/50ml

Your hair is dry, brittle, permed, naturally wavy or color-treated? The shampoo adds moisture and shine to your hair, and makes it easy to comb and style. Your color will last and last and last.

INTENSIVE MOISTURIZING TREATMENT
1000/200/50ml

Intensive supply of moisture for permed, colored and/or dry hair! Your hair becomes supple and shiny! The treatment restores its natural hydration.

RE-ESTABLISHING INTENSIVE SHAMPOO
300ml

Our golden hair bath for curly and severely stressed hair! Valuable care ingredients restore the hair's moisture, combability and elasticity, making it easy to style.

RE-ESTABLISHING INTENSIVE TREATMENT
200ml

The intensive treatment for curly and severely stressed hair. Restores moisture, resilience and elasticity. Adds suppleness and shine!

CLARIFYING SHAMPOO
1000/300/50ml

The clarifying shampoo guarantees deep cleansing. It removes all residues and debris from scalp and hair. Gentle enough for everyday use! Adds shine and volume to your hair. The shampoo is also suitable for treatment of dandruff.

SEALING CONDITIONER
1000/200/50ml

The conditioner seals your hair and closes the procedure. It locks in moisture and proteins. It seals the cuticle layer and smoothes the hair. Your hair becomes easy to comb and has an acidic pH value. A must for volume, suppleness and shine..

**HEALING
LOTION
150/50ml**

The healing lotion for dry, brittle hair. Restore your hair's moisture balance! The lotion contains a high proportion of care elements.

**REPLENISHING
PROTEIN SPRAY
200/50ml**

The protein spray strengthens the hair, makes it resilient and soft to the touch. It tames static hair.

**SHAPING HAIRSPRAY
200ml**

A spray for shaping the hair! Creates touchable and movable styles while providing flexible hold. The hair remains supple and retains its style. The spray does not leave any residues behind and can be combed out easily. The shaping hairspray completes your styling, gives firm hold, body and feel. The hair retains its natural lightness.

**FIXING HAIRSPRAY
250/50ml**

A moisturizing hairspray for a long-lasting hold. Adds volume and flexibility to your hair without leaving any residues. Can be combed out easily. Feel the new grip of your hair!.

**ELASTICIZING SOUFFLÉ
125/50ml**

Your hair retains its shape for much longer and looks calmer without being weighed down. Restore your hair's natural bounce! Make it easy to style. Give it elasticity and volume. The soufflé contains a high proportion of care elements to restore your hair's moisture supply while simultaneously stabilizing it.

**STRUCTURING PASTE
100ml**

A versatile styling paste that adds texture to the hair. Create your desired structure and define certain parts and details of your styling! It leaves your hair with a slightly matte finish, without waxy or greasy residues.
